TO WHOM IT MAY CONCERN

I am writing this reference at the request of your reputable university on behalf of Adio Ayuba Ajibola who is applying for a top up degree programme in your university. I have known Ayuba for more than three years, since when he started his career as a trainee in our institute, The Telecom School, and was later hired as a freelance Drive Test and back office analysis Engineer.

He was in charge of conducting on-site audits of project work sites, preparing and carrying out specific work plans, collecting and analyzing RF Data Log Files, initiating DT Optimization when necessary, and preparing test report of tasks completed.

Ayuba is highly intelligent and has superb analytical and communication skills. If his performance in our company is a good indication of how he would perform in yours, he would be an extremely positive asset to your program.

I highly recommend him for admission to pursue his programme in your reputable institution.

If i can be of any further assistance, or provide you with any additional information, please do not hesiatate to contact me. Thank you.

Yours Faithfully,
